Innovate your space

You no longer have to sacrifice quality for affordability to meet the rigid standards of the healthcare industry. The **Hudson Collection** offers a complete line of casegoods and accessories, constructed with a unique, 3DL process that makes it the clear choice for all types of industries, from Residential Living Facilities to the hospitality industry and everything in between.

SHELL/DOORS/ DRAWER FRONTS

- 3DL - fully wrapped sides, fronts, and tops
- PVC edge band applied with PUR* adhesive for interior components and drawer boxes only
- Full overlay door and drawer fronts in a variety of Shaker Styles
- 5 Year Warranty
- Wardrobes include a show top

TOE KICKS

- Standard toe kick built as one solid piece to the floor to keep out dirt and other items. Additional toe kick designs available upon request.

DRAWER SLIDES AND HINGES

- Ball-bearing slides
- Positive stop prevents tip outs
- Up to 100 lb. max weight capacity
- Doors have hidden, European-style hinges

HARDWARE

- Choice of 5 hardware pulls
- Levelers on all four corners of wardrobes

**PUR is heat and moisture resistant*

3DL Fabrication

3DL can be fabricated into contoured and creatively shaped surfaces, eliminating visible seams from edge banding and t-molding. The 3DL process with seamless edges seals the substrate from bacteria and moisture, which make it an increasingly popular choice in the healthcare industry. Engineered for its stunning aesthetics and durability, 3DL also features higher impact resistance than traditional laminate surfaces.

As with any furniture, 3DL is not suitable for close proximity to a heat source

Hudson

COLLECTION

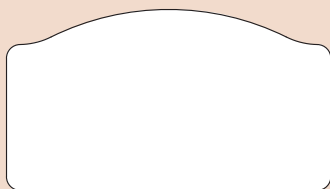

The **Hudson Collection** is a triumphant blend of classic and modern style, just like the town of Hudson, WI itself. The historic downtown seamlessly blends with its newer, more current architecture – much like the sleek, uncomplicated design of the 3D-Laminate surfaces and Shaker-style doors in the collection. Custom sizes available. Contact your Sales Representative for more information.
